PRESTIGE NAMED ON INC. 5000 LIST AS ONE OF THE FASTEST GROWING COMPANIES IN AMERICA

“Prestige Does It Again and Is Recognized on the Inc. 5000 List In 2017”

Melville, NY, August 17, 2017 - Prestige Employee Administrators, Inc. a Professional Employer Organization (PEO) that offers large company benefits and services such as Human Resources, Compliance, Employee Benefits, Payroll and Retirement Plans to Small to Mid-Sized businesses, is pleased to announce it has earned the position of 4037 on the 2017 Inc. 5000 List. Prestige has been recognized as one of the fastest growing privately held companies in America for the eighth time.

Since debuting in 1991 with 100 of the fastest-growing private U.S. companies, then expanding the following year to the Inc. 500 and again in 2007 to the Inc. 5000, the list has served as evidence of the significant accomplishments of entrepreneurial companies. This year, the winners have, once again, set the bar very high. Companies that made the list, on average, have grown six fold since 2013. Over a stretch when the economy grew just 6.7 percent, that’s a result most businesses could only dream of. As an Inc. 5000 honoree, Prestige Employee Administrators is proud to share this prestigious pedigree with some of the most successful businesses in America. *“Our corporate vision is to surround our clients with the highest quality Human Resource Services,”* said Andrew Lubash, CEO of Prestige Employee Administrators, Inc. *“We are extremely proud of this accomplishment and look forward to making this list again next year.”*
