

The Power of PEO Right in Your Pocket

Introducing a Smarter Way to Manage HR

Simple. | Seamless. | Secure.

PrestigeGO simplifies HR for you and your employees by putting the power of a PEO right in your pocket. Access payroll options, view employee benefits information, and instantly connect with your dedicated HR specialists – anytime and anywhere. Available for iPhone and Android devices.

Say Hello to PrestigeGO

PrestigeGO offers simple new options to help manage common HR issues – such as reviewing payroll and submitting or approving requests for time-off.

It also gives client managers the power to seamlessly execute position changes, adjust pay rates, and handle other critical HR functions while working remotely or on-the-go.

For employees, PrestigeGO provides fast access to pay stubs, details about employee benefit plans, and time-off balances. Employees can quickly request time-off, view breakdowns of their year-to-date earnings, and even connect with their PrestigePEO HR specialists for further assistance – all from their mobile phone. It's a smarter way to manage HR.
