

UnitedHealthcare - Vaccine Information Available for Clients and Members

As COVID-19 vaccine distribution rolls out nationally, we have developed MANY resources to help our clients and members navigate the myriad of questions they may have at this time. Overview fliers, educational videos, and other resources have been created to address vaccine hesitancy, encourage vaccination appointment scheduling, and guide members to other sources for vaccine information.

In the table below are resources that you may find helpful for yourself as well as your members. The links to the resources can be found in the Where column.
