PrestigePEOSM

Premium Employee Benefits and a Full Range of HR Support

PrestigePEO offers a full spectrum of HR services including employee benefits, strategic HR and compliance support, and payroll management for small and mid-size businesses throughout the United States. You can now access these employee benefit plans and HR services through an exclusive partnership between Equitable and PrestigePEO.

Offer Premium Employee Benefits

Reduce HR Costs

Receive Best-in-Class HR Support

Simplify HR Operations

Large Company Benefits at Large Company Rates

Attract and retain top talent with premium employee benefit plans from PrestigePEO, including medical, dental, life, and 401(k) plans from leading national providers. With PrestigePEO's purchasing power, your business will be able to access discounted rates on top-tier medical plans typically reserved for much larger workforces.

You can also rest assured that your rates won't continue to skyrocket – PrestigePEO works year-round to maintain consistently low annual renewal rates for all clients.

Concierge-Level Support

With PrestigePEO, you'll always receive best-in-class HR support. At a time when other PEOs are moving toward chatbots and automated operations, PrestigePEO remains dedicated to providing personalized service and building authentic relationships.

PrestigePEO matches each client with a dedicated team of HR professionals who work around the clock to ensure all employee benefits, compliance, payroll, and HR needs are met – so you can focus on your core business. Prestige also offers innovative technology, including its own mobile HR app to help your managers and employees remain in charge of any HR challenge.

Transparent, Unbundled Pricing

PrestigePEO offers fully transparent and unbundled pricing, which means you'll be able to see your HR costs – and savings – line by line. There are no hidden fees and pricing is per employee, so your HR costs won't increase as your revenue increases.

Risk and Compliance

As your business expands, so does its legal liability to maintain compliance with a wide range of local, state, and federal regulations. Our compliance experts help you reduce potential liabilities, fines, or penalties for non-compliance of local, state, or federal laws.

Payroll Management

PrestigePEO offers comprehensive payroll services. From data submission to payday, our Fundamental Payroll Certification (FPC) and Certified Payroll Professional (CPP) experts manage and process your payroll efficiently, accurately, on time – and in compliance with all local, state, federal tax laws.

About PrestigePEO

PrestigePEO partners with small to mid-size businesses to provide employee benefits, strategic HR and compliance support, payroll management, and much more. Premium employee benefit options include medical, dental, vision, and life insurance from leading national providers; as well as supplemental insurance plans, perks like travel and entertainment discounts, and 401(k) benefits.

PrestigePEO is proud to be among only 1% of PEOs nationwide to earn and maintain all three major industry certifications – including ESAC certification, CPEO certification from the IRS, and CI Workers' Compensation Certification – demonstrating its financial stability and strict adherence to wide range of stringent security standards.
