

SIGNET™

The first 24/7 payment platform,
powered by blockchain technology,
offered by a FDIC-insured bank

No Transaction Fees | No Transaction Limits | Real-Time Settlement

Safety & Security

- Signet adheres to safety and security standards established by the New York Department of Financial Services and the FDIC.
- Deposits represented by Signets qualify for FDIC insurance up to the legal insurable amounts as defined by the FDIC.

Certainty & Transparency

- Control and confirm exactly when funds are credited to your recipient.
- Continuous tracking and immediate notification of all transactions to all parties.

24/7/365

Transfer Signets at any time, without restrictions of holidays, weekends, or traditional banking hours.

USD

Each Signet is representative of one U.S. dollar held in escrow at Signature Bank.

Global

Transact with Signet clients located anywhere in the world.

Direct

Transfer U.S. dollars via Signet directly to other Signet participants with no intermediaries.

Live Support

Get assistance day or night from our dedicated support team.

The Signet platform is accessible at [Signet.com](https://www.signet.com)
