

Your Employee Benefit Can Help Protect Your Identity and Devices.

Everyday we put our information at risk on the internet.

Everyday activities like online shopping, banking, and even browsing can expose your personal information, making you more vulnerable to cybercrime.

LifeLock with Norton Benefit Plans combine leading identity theft protection and device security against online threats, viruses, ransomware and malware, at home and on-the-go. Let us help protect your identity, your devices and your online privacy, in an always connected world.

Get more value for your money! Enroll through your employer today!

^a The LifeLock Benefit Junior plan is for minors under the age of 18. LifeLock enrollment is limited to employees and their eligible dependents. Eligible dependents must live within the employee's household, or be financially dependent on employee. LifeLock services will only be provided after receipt and applicable verification of certain information about you and each family member. Please refer to employer group for the required information under your plan. In the event you do not complete the enrollment process for any family member, those individuals will not receive LifeLock services, but you will continue to be charged the full amount of the monthly membership selected until you cancel or modify your plan at your employer's next open enrollment period, which may be a nanually. Please note that we will NOT refund or credit you for any period of time during which we are unable to provide LifeLock services to any family member on your plan after your support of the full amount of the monthly member on your plan after your plan at your p
