

Experienced legal advice for your employees' peace of mind

Many people will need an attorney at some point in their lives – whether it's when starting a family, buying a house or caring for elderly parents. But it doesn't have to be expensive – or stressful. With MetLife Legal Plans, your employees can have access to legal expertise for less than \$1 a day.¹

Our network of attorneys is here to make your employees' lives easier.

Top attorneys your employees can rely on

When it comes to legal support, choosing the right attorney isn't a snap decision. Your employees want someone with the experience, the professionalism, and the courtesy to help them navigate through life's major milestones. Every attorney that joins our network has to meet these requirements. We take care of the selection, so you can be confident your employees have professional and experienced attorneys on their side, for covered matters.

How do we get top attorneys to join our network? By providing exceptional service to your employees, attorneys are more likely to get referrals, resulting in more clients for them. And even the most experienced attorneys want to grow their practice. That's how we have created one of the largest and most experienced attorney networks – with attorneys averaging 25 years of experience.

Tailored service makes life easier

While some legal plans only offer self-service or phone consultations, our legal plan gives employees a choice of convenient options. They can meet an attorney in person, or contact them over the phone, or online using our Law Firm E-Panel®. And we have a range of self-service tools to give employees a helping hand and a little guidance.

For some legal matters, our attorneys may even be able to appear on your employee's behalf in court, so they don't have to take time away from work or their families to attend a court hearing.

Services for everyone

Navigating life's milestones is easier with MetLife Legal Plans. We provide legal assistance for a wide range of personal legal matters, and that's with:

- unlimited use of legal services covered by your plan
- no waiting periods, claim forms, deductibles, or copays to worry about when using a Network Attorney

If one of your employees needs an attorney who doesn't participate in our network, that's okay too. They can be reimbursed for some of the costs.²

Helping your employees navigate life's twists and turns.

The legal plan covers the employee, their spouse and dependents. Telephone and office consultations are available for an unlimited number of personal legal matters with an attorney of their choice.
