"We have had the opportunity to take on new contracts and grow our company with the help of Payroll Funding Company. They have always been there when we needed them, with a quick payroll solution. They are great!"

- Private Academic Organization

Not Just A Lender

As a partner, Payroll Funding Company wants your business to succeed and we'll work closely with you to support you through your cash flow and payroll challenges.

Beyond The Financials

After decades of experience, we've developed a unique expertise at looking beyond the financial reports to understand the true potential of your business.

No Collateral. No Credit Checks.

Unlike traditional lenders, and because you are a PrestigePEO client, no collateral is required to qualify for funding.
