

Hi team!

Our partnership with PrestigePEO allows us access to some valuable supplementary benefits. FinFit is a service that PrestigePEO partners with to offer financial wellness tools and programs. These tools provide education on meeting your financial goals. The available services also allow access to loans and spending and savings accounts.

These programs include:

- **Spending and savings accounts:** Spending and savings accounts without fees and the ability to get paid up to two days early.
- **FinFit Loan Program:** Access to affordable and flexible loan options.
- **Personalized Assessment:** Identify your goals and discover your path to financial freedom.
- **Financial Coaching:** One-on-one advice from your certified financial counselor.
- **Student Loan Services:** Simplify the repayment of your student loans.
- **Educational Tools & Resources:** Establish a budget, connect your accounts, and receive alerts to keep you on track.
- **Member Rewards:** Earn points to redeem for prizes, Amazon gift cards, or a deposit into your FinFit savings account.

Everything above is available to you, and most services are free aside from spending accounts, savings accounts, and loan programs. To sign up for FinFit, please head to PrestigePRO and navigate to the left column of your home screen. There, you will find a square tile labeled “FinFit.” When you click on that link, it will direct you to the FinFit website, where you can select your preferred program.
