

# TIMECO Cloud

With TIMECO's cloud based software, your company can ensure that every minute of your employee's time is tracked at the lowest possible cost, no matter where they are.

**Customizable Dashboard**

**Smart & Modern Fingerprint Terminals**

## Mobile Solutions

- Geofencing
- Time Tracking
- Expense Tracking

## Easy To Use

User friendly interface with helpful tools to get your job done easily. Every area of the TIMECO system is intuitive.

## Customized Training

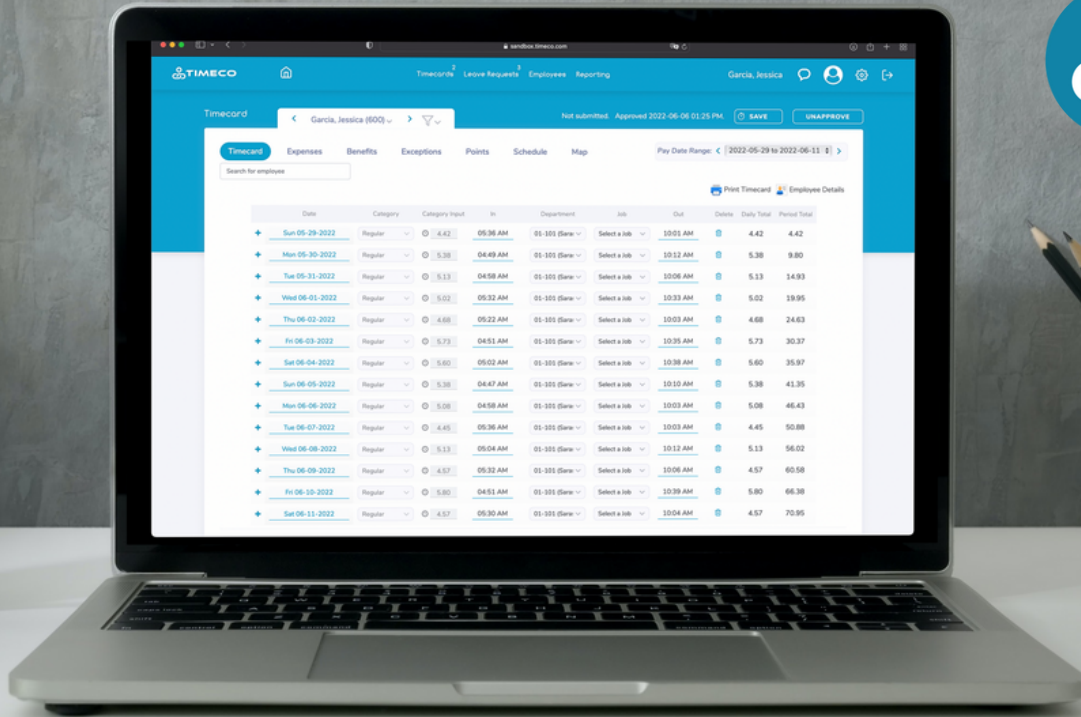

Your system is customized to you, so why should your training be generic? We offer training tailored to you.

## Personalized Setup

Unsure what a shift differential is or how to set one up? Consecutive day overtime? Our team will walk you through the setup process.

## Dedicated Support

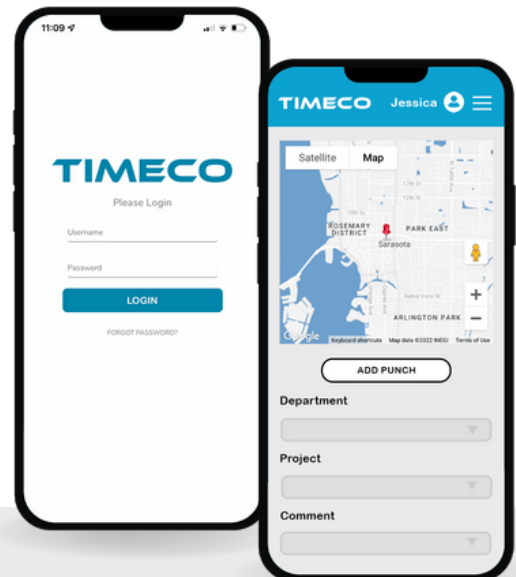

Your TIMECO systems implementation representative will be the first friendly face you speak to, and also your lifeline for the long run.

## Solutions For All Industries

We tailor to suit the needs of almost any market. From Resorts and Golf Clubs that need robust scheduling, budgeting, biometrics, reporting to Health Care that needs on-call, premiums, complex rules, calculations, and tele punch. Always feel assured that TIMECO can meet your professional needs.
