The UnitedHealthcare plan with Health Savings Account (HSA) is a qualifying high deductible health plan (HDHP) that is designed to comply with IRS requirements so eligible enrollees may open a Health Savings Account (HSA) with a bank of their choice or through Optum Bank, Member FDIC. The HSA refers only and specifically to the Health Savings Account that is provided in conjunction with a particular bank, such as Optum Bank, and not to the associated HDHP.

One Pass Select is a voluntary program featuring a subscription based nationwide gym network. The information provided under this program is for general informational purposes only and is not intended to be nor should be construed as medical advice. Individuals should consult an appropriate health care professional before beginning any exercise program and/or to determine what may be right for them. Purchasing discounted gym and fitness studio memberships may have tax implications. Employers and individuals should consult an appropriate tax professional to determine if they have any tax obligations with respect to the purchase of these discounted memberships under this program. One Pass Select is not available in HI, KS, VT and Puerto Rico for fully insured groups.

24/7 Virtual Visits is a service available with a Designated Virtual Network Provider via video, or audio-only where permitted under state law. Unless otherwise required, benefits are available only when services are delivered through a Designated Virtual Network Provider. 24/7 Virtual Visits are not intended to address emergency or life-threatening medical conditions and should not be used in those circumstances. Services may not be available at all times, or in all locations, or for all members. Check your benefit plan to determine if these services are available.

UnitedHealthcare Rewards is a voluntary program. The information provided under this program is for general informational purposes only and is not intended to be nor should be construed as medical advice. You should consult an appropriate health care professional before beginning any exercise program and/or to determine what may be right for you. Receiving an activity tracker, certain credits and/or rewards and/or purchasing an activity tracker with earnings may have tax implications. You should consult with an appropriate tax professional to determine if you have any tax obligations under this program, as applicable. If any fraudulent activity is detected (e.g., misrepresented physical activity), you may be suspended and/or terminated from the program. If you are unable to meet a standard related to health factor to receive a reward under this program, you might qualify for an opportunity to receive the reward by different means. You may call us toll-free at 1-866-230-2505 or at the number on your health plan ID card, and we will work with you (and, if necessary, your doctor) to find another way for you to earn the same reward. Rewards may be limited due to incentive limits under applicable law. Components subject to change. This program is not available for fully insured members in Hawaii, Vermont and Puerto Rico nor available to level funded members in District of Columbia, Hawaii, Vermont and Puerto Rico.

Reimbursement through the Sweat Equity program is generally limited to the lesser of \$200 (subscriber)/\$100 (covered spouse/partner/dependent down to age 13) or the actual amount of the qualifying fitness costs of 50 visits per six-month period, but the reimbursement may vary by plan. Subscribers should refer to their benefits documents or check with their benefits administrator to find out how much they may be reimbursed. Subscribers should also consult with an appropriate tax professional to determine if there are any tax obligations from receiving reimbursement under this program.
