- View and pay claims.
- Check your account balances, if applicable.
- Learn about covered preventive care.

Ready. Set. Go!

Find a network PCP.

Although your plan may not require you to choose a PCP (primary care provider or sometimes called a primary care physician or doctor),* it's a good idea to have one main doctor to guide you through your care.

For help choosing a PCP, call us using the toll-free member phone number on your ID card or sign in to **myuhc.com > Find Care & Costs** and:

- See location, specialty, reputation, availability and hours of operation.
- Look for patient ratings and compare quality and estimated costs.

Keep up on preventive care.

Preventive care—such as routine wellness exams and certain recommended screenings and immunizations— is covered by most Oxford plans at no additional cost when you see network providers. Learn more at **uhc.com/preventivecare.**

Download the UnitedHealthcare® app.

Find nearby care options in your network, video chat with a doctor 24/7 within the app, see your claim details and even check your progress toward your deductible.
