

Why should you offer BenExtend®?

The rising cost of living continues to take a toll on employees. As economic pressures mount, employees are looking for common sense solutions to help navigate the rising costs of health care. Aflac understands, and that's why our BenExtend plan combines the best aspects of three group insurance products in one convenient solution.

Accident | Hospital Indemnity | Critical Illness

Sure, these key products can be purchased individually. But by combining the most popular aspects of each into a simple plan, employees get powerful financial protection against some of the most common (and costly) injuries and illnesses.
