Password Reset Instructions for the PrestigePEO Renewal Portal

Brokers who had access to the portal last year will be able to see the renewals for their groups as they become available by going to <https://openenrollment.prestigepeo.com/login>. To reset your password, follow the instructions below.

1. Click “Need help signing in?” link located under the Sign-In button.
2. Click “Forgot password?” link.
3. You will be prompted to enter your password or username. Your username is preset to match your email address.
4. Click “Reset via Email” button.

If you have any issues logging in, please call 833-PEO-BEN1 or email renewalsupport@prestigepeo.com, and a Benefits Specialist will get back to you.

We encourage you to reference the PrestigePEO Renewal Portal Guide that has been created for Client Managers.

Broker Instructions for the PrestigePEO Renewal Portal

1. You will receive an email from no-reply@auth.prestigepeo.com.
2. Within that email, you will see an activate button.
3. Click the **Activate Portal Account** button.
4. You will be brought to a new screen.
5. On that screen, use your Prestige-given email address as your username and **create a new password**.
 - a. Additionally, “Submitted” means their decided-on contribution model was sent to Prestige for review. And “Published” means the rules of the contribution model they chose has been pushed into Prism and it is final.
6. Once you land on the welcome page, you will see a blue welcome banner at the top of the page.
7. On this welcome page, you will see a list of all your clients.
8. Next to each client’s name is their renewal status which captures the journey from start to finish.
 - “Not Started” they have not begun to make any models. At least one model will be required to progress forward.
 - “In Progress” designates that you or your client has begun to create a model.
 - “Submitted” designates that your client has sent a contribution model to Prestige for review.
 - “Published” is the final phase and designates that model is final and no further changes can be accepted by the system. Plans are able to be accessed as “view only”.

Tips for using the Renewal Portal with Your Clients

Our goal is to deliver the best experience possible for you and your clients. Here are some tips to help ensure a smooth Open Enrollment season.

To prevent a contribution model override, only one user (broker or client) can make changes at a time. If you plan to assist your client with their contribution strategy, we suggest you set up a screen share to view the system in tandem.

Before creating your first contribution model, download and review the 2026, 2027 Full Rate Benefits Menus. Click “Full Rate Benefit Menus” on the left side of your screen to see all plan information including deductibles and network details. Reviewing the Full Rate Benefit Menus first will help you make informed decisions about your 2026, 2027 benefits offerings.

Models can now be downloaded as an Excel workbook. There is currently no functionality for uploading, so any changes made to the workbook will need to be added back to the model manually. This has been identified as an enhancement for future seasons.

If you and your client choose not to make any changes for this coming year, the Contribution Shortcut is a new feature that will be helpful to clients who have a simple strategy and are not looking to make any changes to plans offered to employees.

Open Enrollment season is here!

The PrestigePEO Renewal Portal
showcases enhanced features for this
Open Enrollment season.

This step-by-step user guide will show
you how to create, compare, and share
contribution models, to find the best
plans for your business.

Getting Started

Log in to PrestigePRO with your username and password.

The login screen for PrestigePEO features the company logo at the top. Below it are two input fields: 'Username' and 'Password'. A blue 'Sign in' button is positioned below the password field. At the bottom, there is a link for 'Forgot your password?' and the text 'PRESTIGE EMPLOYEE ADMINISTRATORS DEMO'.

In the search box in the upper right corner, type the words “**Renewal Portal**” and click enter.

The dashboard shows a navigation bar with icons for 'My Company', 'My Employees', 'My Payrolls', 'Reports', and 'Favorites'. A search bar in the top right corner contains the text 'Renewal Portal'. Below the navigation bar, the main content area is divided into sections: 'My Favorites' (Invoices, Job Candidates, My Home, New Hire, Pay History, Payroll Approval, Time Sheet Entry), 'My Support Team' (Payroll: Michael Pascucci, Benefits: Betty Benefits), and 'Human Resources' (Helen HR). The company name 'Company: (00110) Charles Xavier's School For The Gifted' is displayed at the top of the main content area.

This will bring you to your Renewal Portal homepage, where you'll find a list of all your company's entities with PrestigePEO.

The Renewal Portal homepage displays a welcome message and a list of Salesforce-assigned clients. The table below shows the details for four clients.

At the bottom of the table, there is a pagination bar showing '1 - 4 of 4 items' and a search bar.

To review and change contributions for a specific entity, click the **“Review”** button in that entity’s row. You can also use the search bar to enter the name of a company or entity rather than scrolling through the list.

Clicking **“Review”** will pull up your selected entity’s dashboard.

If you are responsible for multiple entities, you will need to perform the same process for each. There are two ways to return to your client list on the homepage:

1. Click the PrestigePEO logo at the top left corner of your screen.

2. Click your business’ name on the **“Change Client”** hyperlink at the top of your screen.

Don’t forget to save your work before navigating back to the Renewal Portal’s homepage.

Note: There is no disruption in the model if a broker or client logs in before the other.

Your Dashboard

You have now reached your dashboard where you can see your current contribution model, as well as create and compare up to three new contribution models before you finalize next year's benefits plans. If you have questions or any issues while navigating the portal, you can easily access your benefit specialist and sales representative's contact information at the top of your screen.

Full Rate Benefits Menus

Before you begin building your first contribution model, take a moment to review the current year's Full Rate Benefit Menus.

To get started, click “Full Rate Benefit Menus” from the menu on the left side of your screen.

Once on the Full Rate Benefit Menus page, you'll find detailed information for each available plan. You can download all plans or choose the plans you want to see side-by-side. This tool will help you review the Full Rate Benefit Menus and make informed decisions about your benefits offerings.

Note: Plans can be exported as PDFs or Excel files, allowing you to easily view the differences between them and assess which ones best meet your needs.

Rate Menu Comparisons

The PrestigePEO Renewal Portal includes a Rate Menu Comparisons feature, enabling you to select one current plan with enrollment and compare alternative plans back to it showing the calculation of monthly and annual cost.

Select the desired Benefit Menu for comparison. A pop-up window will appear prompting you to designate the primary plan for comparison and to select one or more plans to compare it against.

You have the option to download the Benefit Menu in Excel or PDF format.

User Guide

The PrestigePEO Renewal Portal Client Manager Guide is your comprehensive, step-by-step resource for navigating the enhanced Renewal Portal this Open Enrollment season. Designed with your business needs in mind, this guide walks you through how to create, compare, and share contribution models—empowering you to evaluate benefit plans and make informed decisions.

The Dashboard is split into four separate sections.

1. The left section shows your current benefit costs per month.
2. The right section is where you can create up to three contribution models for the upcoming year's benefits plans.
3. The newly added middle section provides a side-by-side view of the current and new Monthly Total Premiums for ease of comparison.
4. The bottom section of the dashboard displays a breakdown of your Benefit Classes, along with estimated monthly employer cost based on the current year's contribution model and the new one you create.

Note: A contribution model can be edited after it's built. You can also rename it by simply clicking the pencil tool right next to current model name.

Building Contribution Models

To begin, click the “Create New Contribution Model” button.

The screenshot shows the PrestigePEO dashboard for client '00113 - Pawnee Parks & Recreation'. The dashboard includes a sidebar with navigation links: Dashboard, Full Rate Benefit Menus, Rate Menu Comparisons, Benefit Employee Menus, FSA Contribution, and User Guide. The main content area displays client information, current benefits cost per month, and a table of plan costs. A red box highlights the 'Create New Contribution Model' button in the top right corner.

Current Benefits Cost Per Month

Category	Company Contribution	Employee Contribution	Total Contribution
Medical (38 members)	\$43,879.72	\$4,888.12	\$48,767.84
Dental (25 members)	\$0.00	\$600.43	\$600.43
Vision (25 members)	\$0.00	\$100.72	\$100.72

Total costs

Plan Type	# Enrolled	Current Monthly Premium	New Monthly Premium	% Change
Medical	38	\$48,203.65	\$54,346.66	11.30%
Dental	25	\$1167.39	\$1194.02	2.2%
Vision	25	\$143.60	\$143.60	0.00%

This will open a pop-up window that prompts you to name your contribution model. Be sure to use a naming convention to quickly distinguish one model from another. Example: Model Version 1, MV1, OE Model 1, Option 1).

By clicking the “Create New Contribution Model” button, you can begin creating different potential contribution models that will allow you to select plans while viewing different contribution options.

Click “Create” to save the model’s name and to begin building the model.

The screenshot shows the PrestigePEO dashboard with the 'Create Contribution Model' pop-up window open. The pop-up window has a text input field for 'Name' with 'Model Version 1' entered, and 'Cancel' and 'Create' buttons. The 'Create' button is highlighted with a red box.

Once you choose a Class to begin working with, you will see the Class details which will show all plans offered to the specific Class, broken down into last year's rates and next year's rates with a potential to edit based on employer contribution levels.

Based on the plan and the tier, the column on the far right of the chart will indicate the change in premium rates as a percent, displayed in red or green. If there is a year-over-year increase in premium costs, the percent will appear in red. If there is a year-over-year decrease in premium costs, the percent will display in green. Percentages will be calculated and shown for each contact type (single, couple, single parent, or family) and each plan.

Employee Census Report

The Census Report provides clients with a quick view of the benefit plan each employee is currently enrolled in. It outlines key details to support accurate contribution modeling, including: Employee Name, Benefit Group, Plan ID and Description, Coverage Status, Plan Type, Premium Amount, Company and Employee Contributions, and Employee State.

Use this information to analyze plan selections, cost distribution, and state-based eligibility.

Employer HSA Match Form (Optional)

If you create a model and the offering includes a high deductible health plan, then you will see the Employer HSA Match form below. This form allows the employer to inform Prestige when they want to provide a contribution to employee's HSA accounts. This is optional and not all employers choose to make a contribution.

The screenshot shows the PrestigePEO web application interface. At the top, the header includes the PrestigePEO logo, a user welcome message "Welcome Brian Restaurant" with a profile icon, and a client identifier "00113 - Pawnee Parks & Recreation (change client)". A breadcrumb trail shows "Home > Model Version 1". A left-hand navigation menu lists various report categories: Summary, CENSUS REPORT, OWNERS, SUPERVISORS, ALL EMPLOYEES, WAITING PERIOD WAIVED, HSA (selected), DCA, and FSA. The main content area is titled "Employer HSA Match Form (Optional)" and includes a sub-instruction: "Enter the HSA setup details for this client. Additional contribution fields appear only when needed." Below this, there are two toggle buttons: "HSA (Individual) - Max Contribution: \$4,500" (which is active) and "HSA (Family) - Max Contribution: \$9,000". The form contains several sections: "HSA plan year" with a text input field containing "No"; "Company currently has an HSA vendor?" with a dropdown menu showing "Select..."; "Does company want to join Prestige's HSA plan?" with a dropdown menu showing "Select..."; "Does company contribute to the HSA?" with a dropdown menu showing "Select..."; and "HSA notes" with a large text area. A blue "Submit" button is located at the bottom right of the form.

There are three features that represent actions which can be taken as you begin to build models.

1. Add or Terminate Plans button

This feature allows you to add or remove plans from the current model.

2. Set Max Medical Plan Contribution

This will allow the you to select a defined contribution across all plans and categories.

3. The Contribution Shortcuts

This is a feature for those who have a simple strategy and are not looking to make any changes to the plans offered to employees.

There are four options under this feature, keep same percentage, keep same dollar amount, split the increase 50/50 between employee and employer, and Assign 100% of increase to employer.

Choosing any of these options will populate the full grid for the chosen Benefit Class including medical, dental, and vision. This will also override anything previously populated in the renewal grid.

Current Benefits Cost Per Month

Company Contribution: \$4,901.25

Employee Contribution: \$5,03

Total costs

- Medical (6 members): \$159.67
- Dental (3 members): \$122.66
- Vision (1 members): \$0.00
- Vision (1 members): \$4.27

Contribution Shortcuts

- ☐ Keep same contribution % as previous year
- ☐ Keep same contribution \$ as previous year

Setting a Max Contribution

(Max Contributions can only be entered for Medical Plans.)

If the dollar amount you would like to contribute will remain the same across all plans, refer to the following instructions for using the “Set Max Medical Plan Contribution” button. This will allow you to select a defined contribution across all plans and categories. If a max contribution is selected, then the portal will automatically populate the correlating monthly contributions.

Begin by clicking the “Set Max Medical Plan Contribution” button.

A pop-up box will appear, and you can enter the contribution for each category (Single, Couple, Single Parent, and Family).

The screenshot shows the 'Class:3 - ALL EMPLOYEES' page with a table of employee plans. A pop-up box titled 'Set Max Monthly Contribution' is displayed, allowing users to set maximum contribution amounts for different plan categories. The pop-up includes input fields for Single, Couple, Single Parent, and Family contributions, each with a dropdown arrow. The 'Set Max Contribution' button is highlighted in red.

**You can only set a max contribution by dollar amount.*

When all the contributions are entered, click the “Set Max Contribution.”

**By using this button, any contribution amount that was previously entered either by percentage or dollar amount will be overridden.*

This screenshot is identical to the one above, but with a red box highlighting the 'Set Max Contribution' button in the pop-up, indicating the final step in setting the maximum contribution.

That will populate the contribution for all medical plans listed for that Benefits Class.

However, once a Max Contribution is entered and calculated, you have the ability to make adjustments to the final contribution amount, as long as the amount that you enter is less than the maximum that you set.

For example, if a group wants to contribute 50% of the premium but does not want to go beyond a maximum amount. In that case, you would set the max contribution, then change the plans where the 50% contribution would be less than the max contribution by using the percentage option.

Once you complete all contributions for medical, dental, and vision for a specific Benefit Class, click the “Save Draft” button which can be found at the top and bottom of the page.

Entering Your Contribution Amounts

After determining what plans you would like to offer your employees, you now can enter potential monthly contribution amounts, either by percentage or dollar amount. This will allow you to have a better understanding of your final contributions and therefore choose the right plans for your organization.

Follow the directions below to learn how to enter monthly contributions by either percentage or dollar amount.

**Note: The portal will only allow you to choose one contribution method per category.*

Entering Monthly Contribution by Percentage

If you choose to view potential monthly contributions by a percentage, you have two options:

1. If you want to use the same contribution method for all four categories in the plan, click the top check box to enable the ability to input a dollar amount.

		Last Year Rate						Next Year Rate					
Tier	Rate	Monthly Contributions %	Final Contribution		Employee Count	Total	Rate Effective 11/1/2026	Monthly Contributions		Final Contribution		Rate Change %

**The dollar amount column is shown on this guide as blank to emphasize the impact of entering the monthly contribution by percentage. Monthly contributions will populate with the dollar amount that coincides with the inputted percentage in the portal.*

2. OR if you want to use different contribution methods for the four categories, you will click the specific category's check box under the percentage symbol, to enable the ability to input a percentage.

Once on the Dashboard, you will be able to choose which model you would like to compare to your current contribution costs by using the drop-down on the top right corner.

When you select a model to review, the section on the right labeled “Projected Benefit Cost Per Month” will update to reflect the potential contributions that you built into the model. You will then see the side-by-side comparison of Total Company Contribution, Total Employee Contribution, the Total Contribution, and the Total Costs broken down by Medical, Dental, and Vision plans.

Plan Type	# Enrolled	Current Monthly Premium	New Monthly Premium	% Change

Vision (25 members)	25	\$100.72	\$143.60	42.53%

When you have reached your final decision based on a model you created, if you choose to, you can now review your model with your stakeholders or broker.

Once you are content with your choices, you will follow the next instructions for submitting your decisions.

Submitting Your Renewal

To submit your plan renewal, click the “Submit Contribution Model” button under section three.

Once you submit your contribution choices, your Benefits Specialist will receive a notice that your renewal decisions have been submitted. If your Benefits Specialist has no further questions, then PrestigePEO will prepare to send invitations to your benefit-eligible employees, inviting them to go through the PrestigePRO Employee Benefits Portal and make their elections.
